

# LEARNING THE *secrets* OF THE ENGLISH CODE!

## A Professional Development Workshop by Nancy Young

Reserve your spot [here](#) by **June 30, 2018**  
Payment of **\$50 per person** due by **Sept. 1, 2018**

**Location:** Stratford Hall, 3000 Commercial Drive

FRIDAY  
SEPTEMBER  
**28** 2018  
8:30am to 4pm

### JOIN US FOR AN ENGAGING AND HIGHLY INTERACTIVE WORKSHOP ON THE SCIENCE OF READING

Classroom teachers, learning support specialists, educational assistants, and school leaders will:

- Learn the latest research about whole word memorization and the three cueing strategies
- Learn how to build and strengthen phonemic awareness for all students while addressing the learning needs of those at risk of PA weakness (dyslexia, ELL, other)
- Find out how fun skill-based movements can enhance reading/spelling instruction and practice
- Understand how to foster a consistent approach across the school to increase instructional effectiveness

#### PARTICIPANTS WILL TAKE AWAY

Concrete examples and  
strategies to use in the  
classroom

Resources and activities  
to support engaging  
structured literacy  
lessons

Nancy Young B.A., M. Ed. (Special Education) is an experienced educator with extensive knowledge of evidence-based approaches to teaching reading, spelling and writing for both the general classroom and intervention programs.
